GETTING BEARINGS: When traveling in the backwoods or in unfamiliar terrain, it is essential to not lose your sense of direction. Research shows that when people become lost, because they lose their bearings, they will actually walk in a big circle. This happens because a person will step further with one leg than the other. Result, this causes them to move slightly to the left or right with each step. What is required to prevent this phenomena? Before a person just starts walking, they must "get their bearings." The idea is to orient oneself by answering the question "where am I right now?"

Over the last six months, we as your staff have been diligently and purposefully attempting to get our bearings by answer the question, "where are we?" Until we determine our current location, how can we know which direction is best to travel for the greatest impact on LABA and ultimately God's Kingdom?

SET COURSE: After a person who is lost in the woods gets their bearings, they then can set direction out of lostness. This is done by answering the question, "where do I want to be?" The height of foolishness, when a person has lost their bearings, is to simply change directions so he or she can say "I changed my path." Change for change sake seldom has a positive outcome. Any change must be calculated and on-purpose for a specific destiny to be achieved. One suggestion when setting a course is to go up to the highest point where a person can see the lay of the land. This could be the top of a mountain or even a tree. Then, based on where they are, they determine where they want to be by a distant landmark.

Over the last six months, LABA staff has been in a very distinct process of answering "where do we want to be" as we move toward the future? I can tell you, in a nutshell, our distant landmark is to co-*labor* together to be an asset and relevant to the pastors, staff, and churches of the LABA.

HEAD OUT: The final requirement to reach the destination is to simply go to it. Sooner or later, all the pondering, skeeming, and thinking must lead to action. A person must get off the mountain or out of the tree and move down the path toward the distant goal. Ultimately, actions always speaks louder than words! Over the next six months, I will be sharing with you at quarterly meetings and through newsletters what we believe to be our God-ordained path of greatest impact as you col*labor* at together. Will this path require anything of you? Of course it will! No one moves to a new place of greater significance without paying a price of adjustment and change. But in the end, it is precisely this change that brings the greatest Kingdom impact, and thus, joy for those who journey the path. May God bless LABA with great joy in 2015!!!

"Why ASK GOD for a miracle if you don't believe!"

"Why ASK GOD for a miracle if you don't believe!"

It is during this time of the year that we talk, sing, and profess the miracle of the Christ Child that came unto this world to become the **Supreme Sacrifice** for a lost world. It is out of the same mouths that talk, sing and profess the risen Savior, that come some of the most negative thoughts about the days we live in.

If you will allow me, let me encourage each pastor, each church, each person that reads these words to ask GOD to help our un-belief. I am reminded of the scripture that states the following: "Jesus said to him, 'If you can believe, all things are possible to him who believes.' Immediately the father of the child cried out and said with tears, 'Lord, I believe; help my unbelief!" (Mark:9:23-24) Oh how we as a people of GOD need to ask GOD to help our unbelief again. We serve a mighty GOD!

We have seen in the recent months the GOD of Christmas and every day, do some mighty works. From a Deacon named Marty, to a Pastor named Jon, to a young boy named Hunter, to a sister name Esther. These are only a few that I have heard about and prayed about, that have been divine appointments for me. If you will simply stop from all of the hustle and bustle of this old world, and reflect upon the miracles that GOD has done thru your personal divine appointments, you too will discover that GOD has been at work everywhere around us.

As we all get ready to embark upon this New Year of 2015, may we all ask *GOD* to help our *unbelief*. May you and I as the body of Christ be the most positive people in our communities when it comes to the Church, our communities and simply everyday living. We are here so that world may know that we and HIM, our *GOD*, are one and so that we can have an Eternal impact on our world. The older I get the more I realize that me being alive is not about me, but rather about HIM. I am so excited for the new year without knowing what it might bring. We are in good hands with JESUS, may our lives and witness show forth HIS greatness. Called to serve - Ed Sena

COMMUNITY WIDE

A group of churches in the Community have been led to join together for a time of prayer and fasting. The purpose of the Fast is to pray and fast for our Nation, City and Community as we enter into this New Year. We believe that we are stronger and better together than we are by ourselves. (Psalm 133, Ecclesiastes 4:9-12) Jesus said in Matthew 17:21 "This kind goeth not out but by prayer and fasting".

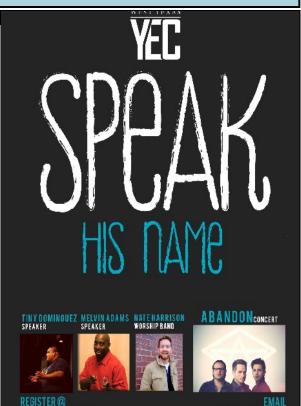

We are inviting the whole Community to join us as we meet our Lord together in cooperate prayer as the church did in Acts 2:1,2 "they were all with one accord in one place. And suddenly....."

The Locations for The Community Wide Prayer Gatherings includes the following

Community Baptist 220 MLK Blvd January 7, @ 7:00-8:00 PM New Hope Baptist 2002 Birch January 14, @ 7:00-8:00 PM 2420 E. Cornell January 21, @ 7:00-8:00PM Rising Star Baptist St. John Baptist 1712 E. 29th January 28, @ 7:00-8:00 PM Christ Temple COGIC 2411 Fir Ave February 4, @ 7:00-8:00 PM 4203 East 63rd February 11, @ 7:00-8:00 PM First Progressive Bapt. Lyons Chapel Baptist 1704 East 24th February 18, @ 7:00-8:00 PM

Please put this prayer times into your schedule as we pray and fast as a Community for the needs of our families, churches, schools, and businesses. We will be asking God to heal our Nation, homes and physical bodies according to II Chronicles 7:14.

Please bring your personal request to be prayed for. Everyone is invited!!

Baptist Student Ministry-Texas Tech University

Another year and semester are beginning at Tech BSM!!! We are ready for the beginnings of 2015. Here's what lies ahead...

• Summer missions appointments. On Feb 6-8, students from all across the state will gather for a weekend of training and interviews for summer missions through GoNOW Missions. Several Tech students are in the process of applying.

Taylor Davies Assoc. Director

- **Beach Reach 2015.** During Spring Break, dozens of students from TechBSM will converge on South Padre Island, along with many other students from across Texas, in order to share the gospel with thousands of college students from around the U.S.
- International Student Ministry. We ended the fall semester serving over 200 International
- students Thanksgiving dinner. This Spring, we will meet the new International students
 arriving at Tech, continue to give away furniture, and pray for open doors to show kindness,
 hospitality, and the gospel.

On campus!! Each week, we are planning ways for TechBSM students to engage the campus with the gospel. From things as simple as prayer walking to handing out free hot chocolate, we are

wanting to be available for God to use us in the lives of students on campus.

TechBSM continues to be grateful for local churches and the LABA as we work together to reach students on the Tech campus. For more info on TechBSM, we would love to have you join our email list. Just email us at info@techbsm.com and we will send you a short email a couple of times a month with a short story of what's happening at TechBSM.

> Thank You Bacon Heights Baptist Church

This was a different event this year. Bacon Heights provided child care for Pastors and Wives to go Christmas shopping after they enjoyed the Mexican dinner that Ed Sena catered. What a wonderful time we had!
